The Requestor's filing does not contain a *position statement* on the issues explaining why the Requestor believes the amount Texas Mutual reimbursed per MFG was incorrect as required by Division Rules. PART V: FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code Section 413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Tex. Admin. Code §133.305 relates to MDR – General.
2. 28 Tex. Admin. Code §133.307 sets out the procedures for health care providers to pursue a medical fee dispute.
3. 28 Tex. Admin. Code §141.1 sets out the procedures for requesting and setting a Benefit Review Conference.

Issues

1. Did the requestor file for medical fee dispute resolution in accordance with 28 Tex. Admin. Code §133.305 and §133.307?
2. Is the requestor eligible for medical fee dispute resolution under 28 Tex. Admin. Code §133.307?

Findings

1. The requestor filed a dispute with the Medical Fee Dispute Resolution section at the Division. According to 28 Tex. Admin. Code §133.305(a)(4), a medical fee dispute is a dispute that involves an amount of payment for non-network health care rendered to an injured employee (employee) for health care determined to be medically necessary and appropriate for treatment of that employee's compensable injury. 28 Tex. Admin. Code §133.305(b) goes on to state, "Dispute Sequence. If a dispute regarding compensability, extent of injury, liability, or medical necessity exists for the same service for which there is a medical fee dispute, the disputes regarding compensability, extent of injury, liability or medical necessity shall be resolved prior to the submission of a medical fee dispute for the same services in accordance with Labor Code §413.031 and 408.021". The dispute is resolved by the Division of Workers' Compensation pursuant to 28 Tex. Admin. Code §133.307. 28 Tex. Admin. Code §133.307(e)(3)(H) requires that if the carrier has raised a dispute pertaining to compensability, extent of injury, or liability for the claim, the Division shall notify the parties of the review requirements pursuant to §124.2 of this title, and will dismiss the request until those disputes have been resolved by a final decision, inclusive of all appeals. The appropriate dispute process for unresolved issues of compensability, extent and/or liability requires filing for a Benefit Review Conference pursuant to 28 Tex. Admin. Code §141.1. No documentation was found to support that the issue(s) of compensability, extent and/or liability have been resolved as of the undersigned date.
2. The requestor has failed to support that the services are eligible for medical fee dispute resolution pursuant to 28 Tex. Admin. Code §133.307.

Conclusion

For the reasons stated above, the division finds that the requestor has failed to establish that reimbursement is due. As a result, the amount ordered is \$0.00.

PART VI: ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
